

EMPLOYMENT OPPORTUNITY

VHB is searching for a Land Survey assistant to work in our Providence, RI office. Candidates must have a valid driver's license and a good driving record.

Responsibilities:

- Maintain proper care of survey equipment
- Document all phases of survey work
- Land surveying including boundary line surveys, ALTA/ACSM surveys, topographic surveys, and construction stakeout.

Skills and Abilities:

- Understands proper use of robotic and conventional total stations with electronic data collecting capabilities
- Understands proper use of GPS equipment for control surveys, location surveys, topographic surveys and construction surveying
- Understands the Principles of Boundary Survey
- Able to think critically
- Excellent communication and interpersonal skills
- Ability to work with mathematical concepts such as fundamentals of geometry and trigonometry

Qualifications:

- 1 to 3 years of prior experience with progressive land surveying experience, or we will consider training.
- Must be detail oriented, willing to work in a variety of weather conditions with exposure to outdoor elements and willingness to travel
- Must have a valid driver's license and a good driving record
- Must be able to lift 50lbs

Please submit applications online at VHB.com. For questions about this position, please contact Faith Driggers at fdriggers@vbh.com.

VHB is a passionate team of 1,000 professionals including engineers, scientists, planners, and designers. We are invested in what we do, compelled by intellectual curiosity, and driven to work collectively to best serve our clients and help shape the future of our communities in a meaningful way. We are dedicated to making a positive impact, and providing opportunities to grow personally and professionally.
